

Craft CARTEL

☺ TASTING NOTES

One of our favourite club selections yet! We hope you enjoy exploring a range of styles from some of the most talented breweries around the country. Plus we've added a beauty from NZ for good measure!

NAIL BREWING MVP

- SESSION ALE
- ABV: 3.4%
- PERTH, WA

Passionfruit and mango shine while tangerine plays a supporting role to balance the tropical fruit. It comes with a firm bitterness that exceeds most in its category.

WEST CITY BREWING XPA

- PALE ALE
- ABV: 4.2%
- MELBOURNE, VIC

A hop forward beer pitched between an American Pale Ale and an IPA. Plenty of tropical and floral hop aroma, without any lingering bitterness. Brewed for those who love their hops, but also easy drinking.

BRIDGE ROAD BREWERS BREAD BEER

- WHEAT BEER
- ABV: 5.0%
- BEECHWORTH, VIC

This German-style Hefe Weizen is made with surplus bread from the Beechworth Bakery. Smooth and refreshing, it exhibits banana aromatics and clove like flavours.

TOY SOLDIER GALAXY+ ALE

- PALE ALE
- ABV: 4.9%
- ROYAL PARK, SA

This brew has a balanced malt and hop flavour with a strong fruity aroma. The Galaxy hop is the hero of this beer and with a little higher alcohol than most session beers - it has a bigger bang!

REVEL IPA

- IPA
- ABV: 7.5%
- BULIMBA, QLD

Big on character, born and bred in Bulimba. A simple malt bill that is powered by some fruity resinous hops creates an aromatic and flavoursome beer that is also a bit too easy to drink.

GARAGE PROJECT WHITE MISCHIEF

- SOUR
- ABV: 2.9%
- WELLINGTON, NZ

Cider in a beer. Low alcohol content, with higher acidity and a soft white peach and subtle yoghurt quality allows for a super crisp, clean and refreshing beer, with a touch of salt to season.

MODUS OPERANDI SONIC PRAYER IPA

- IPA
- ABV: 6.0%
- MONA VALE, NSW

The drinker can expect mind altering, reverberating, aromas of citrus, peach, passionfruit, stone fruit and pine followed by an unstinting malt body and bitterness.

BOATROCKERS MISS PINKY

- BERLINER WEISSE
- ABV: 3.4%
- BRAESIDE, VIC

Over 250kg of fresh Aussie raspberries are added in every 4000 litres of this brew. The result is a vibrant pink hued beer with raspberry aromas and flavours up front with a dry and refreshingly tart finish.
